Dear Friend of Historic Preservation:

On Saturday, **April 28, 2012**, the City of Portsmouth will once again host a **Historic Home Improvement Show** at **I. C. Norcom High School**, 1801 London Boulevard, from **10 a.m. until 2 p.m.** We have invited vendors to display their wares and to be available to discuss home improvement options in historic districts. **Please save this date and share this information with your neighbors and potential vendors.**

Last year we had an excellent turn out. In order to continue the Home Show, we need residents in historic areas to continue to come out and support the program. For your review, I attached a flyer sent to vendors. Please share with others.

Should you have questions about this program, please do not hesitate to give me (**Jocelyn Adumuah**) a call at (757) **393-8836 ext. 4203**.
